Owes Norm money

Owes Chris £500 for last year.

Current balance approx £500 after paying Chris and Xmas dinner.

Ickle to bring exact balances, including liabilities for both accounts to next meeting.

Have requisite number of players registered.

Affiliation forms for non-King's members given to Lydia. Use angle that occasional players are supporting the team by enabling them to play when would otherwise be unable to put out a side.

Subs increased for 2004/05 to £25, extra £5 to King's account because King's analysing proportions of subs and grant in funding.

3. Fixtures: Decreased number of student matches as other team unable to put out a side.

Lots of games on Sundays as many games rescheduled.

Yvonne requested everyone print off and note new fixtures.

Yvonne asked if people want to enter 7's tournaments after season ends. Usually on Sundays. If positive response it should be new Captain's responsibility.

Agreed to discuss matter at AGM when all members present.

4. Blues: Will award college blues and half blues only (no colours)  
Will issue club honours in form of silver engraved bracelets inline with boys ties. These will be handed out at club dinner (to be organised by Annie).  
Yvonne to research and get quotes for bracelets (cost less than £25, which should be paid by recipient).  
Club honour certificates to be awarded to recipients at boys AGM.
5. Coach: Felt by committee that need someone present at Games, Ickle to ask Dad to attend Sunday games and report to Chris on Mon training sessions.  
Chris unable to commit 100% due to personal circumstances.  
10 voted in favour of looking for a new coach, 2 abstained.  
Yvonne to research possibility of new coach.
6. Kit: 9 wearable GKT shirts (6 damaged).  
Official apology given by boys, they are willing to give a written apology, and have offered to fund new kit from Supporters account if necessary.  
Note to all captains that it is NOT acceptable to use or ask to borrow GKTWRFC kit (off members of team or Norm)
